

“The Specialty People”

WE WANT TO BE

“YOUR SINGLE SOURCE”

SUPPLIER

Do you know, you lose money every minute your maintenance employees spends sifting through poorly organized, poorly identified storage equipment and mismatched, commingled inventory?

Have you been searching for a fast, easy and very economical method of organizing your small maintenance items?

Have you ever thought of **“PRIORITIZING”? Just ask your account manager or sales representative what we can do for you.**

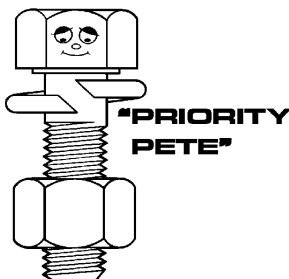

Our friendly and knowledgeable professional Sales Representatives can help you organize and manage your small parts inventory on a weekly, every other week, monthly or whatever time schedule that would work best for you!

Of course, anyone of our helpful & dedicated employees are available to assist you with anything at anytime. Just give us a call & Thanks for your business!

Our primary focus has always been to

“Take Care Of Our Customers”

Satisfaction Guaranteed!
